ORDER

In the letters 3rd and 5th read above, the Engineer-in-Chief (Irrigation), Water Resources Department, Vijayawada has recommended the proposal to the Government to accord permission to M/s Ananda Enterprises (India) Private Limited (Expansion-I), Palakoderu (V&M) for drawl of 400 KLD (0.16 cusecs) of water from Gostanadhi channel for a further period of 5 years subject to the following terms & conditions:

1. The water can be spared based on the availability of water in the Gostanadhi channel.
2. The water drawn from the channel should be utilized for the purpose for which permission is granted.
3. The firm has to pay water charges for the estimated quantity in advance as fixed by the Department.
4. The consumptive utilization calculated per day fixed by the Department should not exceed under any circumstances.
5. Water meters and measuring devices should be installed at the pump house by the industry at their own cost to measure the water consumed and should be made available to the departmental authorities at all times for inspection.
6. The firm should pay security deposit fixed by the department for which permission is granted.
7. The firm should pay royalty charges as per the Govt. Memo No. 2772, dt: 30.09.2015 at the rate of Rs 5.50/per 1000 gallons as the water is used for consumptive use or at the revised rates as fixed by the Government from time to time.
8. The firm should make its own arrangements for summer storage during summer period.
9. The Irrigation Department is no way responsible for non supply of water due to any reasons.
10. The entire cost of construction of pump house, pipe line etc., should be borne by the firm only.

11. The firm must strengthen the channel margin on either side of the proposed pump house/off take point to avoid erosion of bank and to protect the existing channel margins as directed by the Department.
12. The Department is no way responsible for any damages that may occur to the off take point and pump house during floods.
13. This department is not responsible for any dispute that arises with neighbouring industries and public and any legal matters.
14. The firm should not create any objection to the raising and widening of Gostanadhi channel bank at the said chainage and they have to relocate the pump /off take point if necessary, with their own cost.
15. The firm should abide by any other conditions laid by the department at later date.
16. The Irrigation Department reserves the right for cancellation of the permission without assigning any reasons thereof.
17. Water can be spared only after meeting the demands of drinking water and agricultural water demand.
18. The storage tank should be constructed sufficient to store the requirements for non supply period for water drawl from canal.
19. The point of drawl should be as fixed by the Department.
20. The Firm has to produce the relevant records for departmental verification at the end of each quarter periodically.
21. Non-Adherence to any of the above condition by the industry will entail cancellation of the permission.
22. The concerned Executive Engineer will be responsible for enforcing the conditions.

2. After careful examination of the matter, Government hereby accord permission to M/s Ananda Enterprises (India) Pvt. Ltd. (Expansion-I), Palakoderu (V&M), West Godavari District, for drawl of 400 KLD (0.16 cusecs) of water from Gostanadhi channel for a further period of 5 years with effect from 13.09.2018, subject to the above mentioned terms & conditions.

3. The Engineer-in-Chief (Irrigation), Water Resources Department, Vijayawada, Chief Engineer, Godavari Delta Systems, Water Resources Department, Dowlaiswaram and the Collector & District Magistrate of West Godavari District shall take necessary action accordingly.
